Presidents Message: Rhett Lowry York Jaycees 65th President

Greetings My fellow Jaycees,

I can't believe that we are halfway through the Year. I would like to welcome our 2 new members Dennis Guerrieri and Jordan Brouillette. I would Also like to welcome Cheryl Lauer to the Board as Management Director.

We have some great projects and events coming up in the next several months and we will need every Jaycee to step up and give 100%. Kathy Morris has some great things planned for us this summer. Orioles Game, a picnic, The White Water Rafting/Camping Trip in August. and a few other we will announce very soon.

Zach Zimmerman and I recently attended the U.S Jaycees annual conference in Chicago. The first day we attended the awards ceremony and much to our surprise the York Jaycees won an award. We won as a Blue chip chapter in the country. To blue chip is a very difficult accomplishment and the 2010 board and Jaycees did a wonderful Job And deserve a great big congratulations. For those of you that do not know what Blue Chip is here is a definition.

Chapter Blue Chip's goal is to recognize well rounded, healthy Chapter organizations. The requirements are designed to ensure that our chapters are offering well balanced programming for our local members. The Blue Chip is a year-long process. The requirements are intended to assist with the development of a Chapter Plan of Action.

We also attended some training sessions and look forward to sharing the knowledge that I gained with Everyone.

I would also like to thank The Chili Cook-Off Committee for doing such a great Job planning and running this years event. It was a very successful day for the Jaycees and the York Community.

Our Next Project is the York Hospital Picnic. We need a lot of Jaycees to staff this event to make it a success sign ups for staffing this easy and fun money making event will be coming out soon.

Brews Brats and Bands planning is in full swing but we could always use a few more people on the committee the Next meeting is June 22nd at Nicole Dapps House. Contact Nicole for time and Directions if you are interested.

Baked Potato Stand! Yes the Great York Fair is approaching us quickly and we need everyone to help with this large and profitable project. More information will be available regarding committee meetings very soon.

I hope everyone is having a safe and Fun summer. And I will see everyone soon.

Regards
Rhett Lowry

It's that time of year to start planning the annual whitewater rafting trip. Every year the York Jaycees travel to Ohiopyle PA to partake in a weekend of rafting, camping, and general tomfoolery. We will be going this year from Friday, August 12th until Sunday August 14th. The price varies depending on what you want to do and how many people go. Typically, it averages around \$120.00 to \$140.00 for the entire weekend. As we get closer to the event I will know the final price. The cost includes camping, food, and some beverages. You will need to provide extra beverages, a tent (and other associated sleeping gear), your clothes, and any other special items required for you to have a good time. Get your minds out of the gutter I mean games, music, or books.

Here is the timeline to confirm your spot on the trip:
